

Integral Engineering Co.

Structural Engineers • 303-804-7003

CONCIENTIOUS, RELIABLE & ATTENTIVE

We provide creative engineering for architectural and structural engineering firms who need timely service and quality, constructable designs. **For more than 25 years our experts have served as trusted resources on a wide range of public sector projects and private commercial builds** – a zeal for thinking about what’s next and a dedication to cost effectiveness drives everything we do.

Airports

- Denver International Airport, CO
- Colorado Springs Airport Expansion, CO
- Tinker Air Force Base, Oklahoma City, OK

Part of the structural design team for the \$2B DEN Great Hall renovation to improve security, baggage and check in.

NAICS Codes

- 541330 Engineering Services
- 541340 Drafting Services
- 541310 Architectural Services

CAGE Code—72K52

DUNS Number—021347301

UE ID—GHV9XD9M2NN9

Licenses

PE in: CO, MI, MT, TX, WY

Certifications

- DBE, EBE, ESB, MWBE, SBE,
- WBE, WOSB

Memberships

- NSPE, ASCE, SEI, SEAC, COMTO,
- SAME, AISC

Art

- Curved Structures
- Wind Screens
- Sculptures
- Signage

Train Stations

- Denver Union Station, Denver, CO
- Eagle P3, Denver, CO
- RTD Light Rail West Corridor, Denver, CO
- Dallas Area Rapid Transit Orange Line, Dallas, TX

Worked with the fabricator to provide substantial savings through value engineering on the Denver Eagle P-3 A Line light rail stations.

Bridges

- T-REX Pedestrian Bridges, Denver, CO
- Central 70 York & Josephine Bridges, Denver, CO
- Rail Runner, Rio Metro RTD, Santa Fe & Albuquerque, NM

Provided shop drawings for the straight and curved railings at the Stapleton Redevelopment Prairie Meadows Park.

Wind Screen, DART

Integral Engineering Co.

Structural Engineers • 303-804-7003

Bus Stations

- North County Transit Shelters, North County, CA
- MAX TransFort, Ft. Collins, CO
- North County Transit District, Oceanside, CA
- Euclid Corridor, Cleveland, OH
- The Rapid BRT, Grand Rapids, MI

Provided curved stair design, connection design and coordination of the entire lateral load bearing system for Colorado General Hospital.

Hospitals

- Colorado General Hospital, Broomfield, CO
- Colorado Center for Photomedicine, Centennial, CO
- Denver Health Medical Center, Denver, CO
- Sulphur Veterans Center, Sulphur, OK

Churches

- Central Presbyterian, Denver, CO
- Edmond Church, Edmond, OK
- St. Anne's Church, Denver, CO

Central Presbyterian

Schools & Libraries

- DU Knudsen Hall, Denver, CO
- Holm Elementary, Denver, CO
- Parker Library, Parker, CO
- Thomas Jefferson High School, Denver, CO
